

## Changes in GNT Finland Oy's management responsibilities

Tampere 1.6.2009

Dear partner,

Effective June 1<sup>st</sup>, 2009, there will be changes in management responsibilities in GNT Finland Oy's operations.

Mika Eronen, currently acting as Deputy Managing Director of GNT Finland Oy, will continue in his role, with an operational responsibility of business development and logistics, and company strategic initiatives, including portfolio strategy.

Businesses will be organized into five business areas:

- HP Business, lead by Tatu Varpukari
- Volume/IT, lead by Juha Tamminen
- Components and networking, including GNT Group responsibility in these areas, lead by Peeter Parts
- Software and supplies, lead by Mika Heikell
- Consumer and entertainment electronics, including music, movies and gaming, lead by Mikko Salminen

Sales activities, including account management and account sales, continue to be lead by Markku Nieminen. Account sales activities will be organized into two teams, serving BtB and retail segment customers. Field sales operations report through Mikko Salminen.

Administrative functions; Finance and administration (lead by Katja Vikki), HR (Katja Kokko) and IT (Juha Malmivaara), as well as logistics operations (lead by Marisa Pihlaja-Sillanpää) continue as previously defined.

Above named persons, together with Managing Director, form management team for GNT Finland Oy, as of June 1<sup>st</sup>, 2009.

Dedicated team of GNT personnel will continue to service and support You in a same good manner as previously. We look forward to our continuous successful business relation, and hope to strengthen it further.

Best regards,

Maija Strandberg  
Managing Director
