

TOP LOADING AIR UNIVERSAL

The new Targus TL series combines superior notebook protection with top-loading convenience

The perfect combination of top loading convenience, notebook protection and carrying capacity all in a new light-weight design. The new Targus Top-Loading Air Universal Case is an enhanced version of our best selling Universal Notebook Case. Key new features include convenient top-loading design, lightweight construction, the Targus APS protection system and a unique shock-absorbing shoulder strap. The printer/accessory compartment will carry all popular portable printers, full-size binders/day planners or computer accessories. The zip-down workstation includes pockets for a cellular phone, a PDA, Zip disks, PC cards, pens, pencils and business cards. A full-size expanding file section will hold work papers, files and

documents. Constructed of rugged 1680D ballistic nylon, the Top-Loading Air Universal Case is the perfect travel companion.
